

How to request immunization records for you or your child

Trying to get a hold of your immunization records?

Maybe you need them before you travel, or you plan on seeing a specialist. Maybe you're trying to collect your child's immunization records for school.

Whatever the reason may be, MedChart can help!

We can collect your immunization records for you, so that you don't have to spend time on the phone with Health Canada or wait in line at their office. Here's what you need to request your immunization records:

- **Your information:**

- o Name
- o Address
- o Health Card Number
- o Relationship to child (if applying for your child)
- o Scanned copy of your driver's license (to prove that it's really you)

- **Your child's information (if applying for your child)**

- o Child's Name
- o Date of Birth
- o Health Card Number
- o Scanned copy of your child's health card

The cost for this all-inclusive service: \$9.99

Here's how you can use MedChart to collect your immunization records:

- You can request for your immunization records on our website simply by filling out one form
- We'll call Health Canada on your behalf and collect all the records
- You can download PDF copies of your records from our secured server and keep forever
